

## MEETING OF KILOHANA ART LEAGUE.

Awakening activity and interest in the Kilohana Art League shows in the announcement of the annual meeting of that society, at their rooms in the Model block, Fort street. Members are requested to attend at 4 o'clock, Friday afternoon, for the election of officers, the formation of committees in the different circles and the transaction of other business.

The near approach of the semi-annual exhibition shows the active members of the pictorial circle hard at work in their various lines. There is promise of work from H. M. Mott Smith, H. Kelley, Miss Parke, D. Howard Hitchcock and other artists in color, while the china painting department, wood carving, pyrography and other lines will be represented by the devotees each of his particular branch.

## The Cooking School.

Miss Morgau was in her office yesterday to attend to matters in connection with the Housekeeper's League cooking school. A large number of ladies put in appearance, taking along their Chinese and Japanese cooks. Miss Morgau's office is at the corner of Queen and Punchbowl streets and she may be seen any afternoon this week. The Chinese class will begin Monday at 1:30, the Japanese Tuesday at 1:30, and the class for women of all nationalities Wednesday at 1:30. A class for girls from 10 to 15 will be started Saturday morning, November 4, at 9 o'clock.

## S. S. Laurada Wrecked.

Seattle (Wash.), October 15.—By the United States revenue cutter Corwin, which arrived here to night, survivors are brought of the steamship Laurada, which lies a wreck in Zapadne bay, St. George island. The Laurada, Captain Frank White, left Seattle September 12th for Cape Nome with a crew of forty-eight officers and men and twenty passengers. She carried a full cargo of general merchandise, hay, lumber, thirty-six head of cattle and 130 sheep.

# CHICKERING PIANOS

They Occupy the Proudest Position of all Pianos in the World!

— WHY? —

BECAUSE of their artistic merit they superseded all others before any of the American Pianos now manufactured were established.

BECAUSE they stand to-day the recognized representative of the highest development in artistic and scientific piano building.

Their position was not gained and is not maintained, by purchased influence!.....
